

TAPSA

17th Experimental Film Week of Madrid
8th International Publicity Spots Contest produced by students

Participants:

Students from film, video, television and publicity schools. The team must be completely compound by students from each school.

Objective:

The main object of this contest, unique in Spain, is the possibility of getting to know, through a mean, as creative as the publicity, the young talents that are studying in the different film and publicity schools throughout the world. Likewise, it is that they can experiment with the great, new possibilities that the combination of film, video and new technologies permit.

Development:

Projects will have, maximum, 30 seconds long, with a publicity approach. They can be produced either in film, video or animation. This projects must be sent either in Betacam (PAL) or VHS (PAL), to the following address, before next 20th of July 2007.

Septima Ars, Escuela de cine y tv.

Attn: 8º concurso de Spots publicitarios.

c/ Fuente del Saz, 5
28016 Madrid. España

The selected projects will be showed in the 17th Experimental film Week of Madrid. The jury will be compound by publicity professionals.

Información:

If you want some more information you can write to: concurso@septima-ars.com or you can call +34 914 577 973 / 2311 (Attn: Fernando).
